New Delhi (UNI)  
Brazil has expressed its intention to establish cooperation with India for the production of medicines and vaccines.  
Brazilian Health Minister, Alexandre Padilha, who is accompanying President Lula da Silva on his State visit to India, met union Health Minister J P Nadda here on Wednesday. He said the proposed partnership includes public institutions and companies from both countries for the production of cancer drugs and also medicines to combat tropical diseases.  
Padilha also met Prataprao Jadhav

(Traditional Medicine), expressing his government's intention to expand co-operation regarding free access to

health services for the people.  
"Brazil and India have robust public systems, strong scientific capacity, and a strategic role in the Global South. Our cooperation in health can expand the population's access to medicines, strengthen local production, and boost innovation," the Brazilian Minister said.  
Padilha invited the Indian leaders s to join the Global Coalition for Local and Regional Production, Innovation and Equitable Access. "We want India and Brazil to be at the forefront of a new

international health agenda based on local production, innovation and solidarity-based cooperation," he said.  
According to Padilha, the exchange of knowledge in digital health can contribute to the modernisation of the SUS (Brazilian Public Health System), expand access, and improve the quality of care for the population.  
Another proposal was the implementation of a digital library of traditional medicine, bringing together scientific evidence, protocols, clinical studies, historical records, and best practices on integrative and complementary health practices.

## Mahua Moitra files for custody of pet dog with Delhi HC

New Delhi: Trinamool Congress MP Mahua Moitra, has moved the Delhi High Court challenging a lower court order that refused to grant her interim custody of her pet Rottweiler, Henry.  
Earlier in November last year, the Saket District Court dismissed Moitra's request seeking custody of the dog for 10 days each month.  
On Thursday, a single-judge bench of the High Court issued notice to advocate Jai Anant Dehadrai, who currently has the custody of Henry, and asked him to respond to Moitra's plea.  
Dehadrai, who appeared in person, and Moitra have been involved in multiple legal disputes over the past few years. Previously, Dehadrai alleged that Moitra accepted bribes from businessman in exchange for raising questions in Parliament.

## PM Modi, Abu Dhabi Crown Prince elevate AI and Advanced Tech as Core Pillar of India-UAE ties?

New Delhi (UNI)  
India and the United Arab Emirates on Thursday elevated artificial intelligence and advanced technologies to the forefront of their bilateral partnership, as Prime Minister Narendra Modi met Sheikh Khaled bin Mohamed bin Zayed Al Nahyan on the sidelines of the AI Impact Summit in New Delhi.  
Sheikh Khaled, Crown Prince of Abu Dhabi, is on a two-day official visit to India from February 18-19 to participate in the Summit, marking his second official visit since September 2024.  
The meeting reaffirmed what both sides described as the strength and expanding scope of the India-UAE Comprehensive Strategic Partnership.  
According to an official release from the Prime Minister's Office, the two leaders underscored that Artificial

Intelligence and emerging technologies would form a central pillar of future cooperation.  
They welcomed the finalisation of a term sheet between India's Centre for Development of Advanced Comput-

ing (C-DAC), G42 and Mohamed Bin Zayed University of AI for the deployment of a supercomputer cluster in India.  
The project follows an announcement made jointly by Prime Minister Modi and UAE President Sheikh Mohamed bin Zayed Al Nahyan during the latter's visit to India on January 19, 2026.  
The supercomputer cluster will be integrated into the AI India Mission and made accessible to public and private sector entities for research, application development and commercial use.  
The leaders also discussed expanding collaboration in strategic sectors such as space, nuclear energy, technology and innovation, signalling a broadening of the technology partnership beyond AI alone.

## DMDK strengthens DMK-led Front Enters into alliance for the ensuing TN Assembly polls

Chennai (UNI)  
Ending the prolonged speculations, the DMDK of later actor-politician Vijayakanth on Thursday formalised its alliance with the ruling DMK-led Front ahead of the ensuing Tamil Nadu Assembly polls.  
This was for the first time since its formation the DMDK had entered into an alliance with the DMK, which was further strengthened by its entry.  
DMDK General Secretary and Vijayakanth's wife Premalatha accompanied by her brother Sudeesh and her son Vijay Prabhakaran met  
Tamil Nadu Chief Minister and DMK President M K Stalin at the DMK headquarters "Anna Aivalayam" and formalised the alliance.  
After exchanging pleasantries and bouquets, DMDK leaders held brief talks with Mr Stalin and joined the DMK-led Secular Progressive Alliance (SPA) in a move that would strengthen DMK bid for a second

term at the hustings, while dealing a major blow to the AIADMK-BJP combine, which too had been trying to woo it to the NDA.  
Welcoming the DMDK into the DMK-led SPA, Mr Stalin expressed happiness over the alliance and recalled Vijayakanth's long-standing respect and affection towards late DMK leader M. Karunanidhi.  
He said the DMDK's entry would contribute to Tamil Nadu's progress and reinforce the Dravidian model of governance.  
Speaking to reporters after cementing the electoral ties, Ms Premalatha said, "The alliance that everyone had been expecting has now taken shape. This partnership reflects the wishes of our district secretaries, party functionaries and party cadres".  
"We have joined the DMK-led alliance as per the wishes of the DMDK cadres", she said, and exuded confidence of the Front winning more than 200 seats in the elections.

## Around 20 lakh voter documents await fresh verification in Bengal

Kolkata (UNI)  
With barely three days remaining before the February 21 deadline, the scrutiny of voters' documents submitted during claims and objections hearings in West Bengal is facing fresh hurdles as around 20 lakh sets of documents are still awaiting re-verification by District Magistrates, who also function as District Electoral Officers (DE-Ofs).  
Officials in the office of the Chief Electoral Officer, West Bengal, said a bulk of the pending cases fall under the category of "logical discrepancies".  
According to them, micro-observers flagged inconsistencies during the ongoing verification exercise, noting that several submissions did not tally with the 13 identity documents recognised by the Election Commission of India.  
"Based on the observations made during scrutiny, such cases were sent back to the concerned DEOs for another round of verification. The Commission has instructed the officers to complete the process and submit their reports at the earliest," a senior official in the CEO's office said.  
Adding to the delay, officials confirmed that nearly 1.14 lakh documents submitted during the hearing process are yet to be uploaded on the system. As a result, scrutiny of those appli-

cations has not even begun.  
"In light of these developments, meeting the February 21 deadline appears uncertain. There is a strong possibility that the scrutiny timeline may be extended once again, which could also push back the publication of the final voters' list," sources said.  
At present, the final electoral roll is scheduled to be released on February 28, after the earlier date of February 14 was revised.  
Meanwhile, a full bench of the Election Commission of India is expected to visit West Bengal on March 1 for a two-day review of the situation following the Special Intensive Revision (SIR) exercise.  
Sources said the Commission is considering holding the elections in fewer phases compared to previous polls. While the CEO's office has suggested a single-phase election, the final call will rest with the Commission.

# Primary report on Baramati plane crash expected next week

New Delhi (UNI)  
The preliminary report on the aircraft crash that occurred in Baramati, Maharashtra, on January 28 is expected to be released next week.  
In the accident, all five people on board, including Maharashtra's then Deputy Chief Minister Ajit Pawar, lost their lives.

The Learjet-45 business aircraft belonging to VSR Ventures had flown from Mumbai to Baramati. While landing in Baramati, it met with an accident at one end of the runway and subsequently caught fire.  
The Aircraft Accident Investigation Bureau (AAIB) said that the data from the Digital Flight Data Recorder

(DFDR) has been successfully downloaded.  
However, technical assistance has been sought from the US-based company Honeywell, the manufacturer of the Cockpit Voice Recorder (CVR), to download the CVR data.  
In an update issued on Thursday, the AAIB said that in accordance with the rules of the International Civil Aviation Organization (ICAO), the preliminary report will be released within 30 days. The final report is expected to take more time.  
Accordingly, the preliminary report is likely to be released by February 27 next week.  
Meanwhile, following the crash, the Directorate General of Civil Aviation (DGCA) began a special audit of VSR Ventures on February 4, which is expected to be completed soon. The DGCA has stated that appropriate action will be taken if any irregularities are found during the audit.  
Additionally, aerodromes involved in VIP/VVIP operations and other non-scheduled operators are also being audited in two phases.
